75+ kg - Clean & Jerk	Meiyuan DING	CHN	165.0	22 Sep 2000	Sydney, AUS

World and Olympic records have only been set for the displayed weight classes. For the other weight classes World and Olympic Standards have been defined. These are the minimum weights that need to be lifted to recognise a performance officially as a World or Olympic record.

Go to the progression lists of the specific event for performances that have equalled the current record.
